OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

December 1, 2016

J. Evelyn Lawson
Federal Registration Specialist
The Clorox Company
c/o PS&RC; P.O. Box 493
Pleasanton, CA 94566-0803

Subject: Notification per PRN 98-10 – Notification of non-mandatory label text added
Product Name: HOCKEY PUCK II
EPA Registration Number: 5813-66
Application Date: October 25, 2016
Decision Number: 523091

Dear Ms. Lawson:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Antimicrobials Division (AD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Melanie Bolden at (703)-347-0165 or via email at Bolden.Melanie@epa.gov.

Sincerely,

A handwritten signature in blue ink that reads "Wanda J. Fuller, for".

Demson Fuller, Product Manager 32
Regulatory Management Branch II
Antimicrobials Division (7510P)
Office of Pesticide Programs

NOTIFICATION

5813-66

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

12/01/2016

HOCKEY PUCK II

KEEP OUT OF REACH OF CHILDREN

DANGER

(See back panel for additional precautionary statements)

ACTIVE INGREDIENTS:

1-bromo-3-chloro-5,5-dimethylhydantoin	45.0%
1,3-dichloro-5,5-dimethylhydantoin.....	20.6%
1,3-dichloro-5-ethyl-5-methylhydantoin	8.0%
OTHER INGREDIENTS:	26.4%
TOTAL	100.0%

Available bromine 29.4%
Available chlorine 33.3%

NET WT 100 g

HOCKEY PUCK II

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Sanitize, Clean, and Deodorize:

For best results, clean toilet bowl thoroughly, including under the rim.

1. Cut open package. Do not touch tablet directly.
2. Flush toilet. When water level in tank is low, drop tablet into the right rear corner of the tank (see diagram).
3. When tablet has dissolved, replace with this product.

Each tablet sanitizes the toilet water in 5 min[utes] for 8 weeks -or- two months. -or- Sanitizes toilet bowl water by killing 99.9% of household bacteria within 5 min[utes] after each flush.

Effective for up to 10 flushes per day.

Tablet should be used in toilets that are flushed daily -or- regularly. Safe for colored toilets.

IMPORTANT: Retain tablet pouch for precautions and first aid instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

DANGER: Highly corrosive. May be fatal if swallowed.

DO NOT TAKE INTERNALLY. Causes eye and skin damage. Irritating to nose and throat. Avoid breathing dust. Do not get into eyes, on skin or clothing. Wear rubber gloves when handling, and wash thoroughly after handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Clorox Information Line: ~~1-800-292-2200~~ 1-800-227-1860

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL AND CHEMICAL HAZARDS:

STRONG OXIDIZING AGENT. Keep away from heat or flame. Mix only with water.

STORAGE AND DISPOSAL:

Store in original container in areas inaccessible to small children in a cool, dry, well-ventilated area. Do not store at elevated temperatures. Offer empty container for recycling. If recycling is not available, discard empty container in trash.

Does not harm plumbing or septic tanks -or- septic systems.
